Big Bend National Park, West Texas	Marathon Basin	Armstrong Carpenter Conrad Lovell McDivitt Schirra See Stafford White	April 15-16, 1964		Wilhelms, Don. E. <u>To a Rocky Moon: A Geologist's History of Lunar Exploration</u> . Tucson: University of Arizona Press, 1993, p. 79.; Apollo Astronaut Field Trips, 008973, "MSC Roundup 15 April 1964, pg 7, ; Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix E.	
Kitts Peak National Observatory, near Tucson, Arizona	Sunset Crater near Flagstaff	Aldrin Anders Bassett Bean Borman Cernan Chaffee Collins Cunningham Eisele Freeman Gordon Lovell? McDivitt Schweickart Scott See Williams	April 30-May 2, 1964		Wilhelms, Don. E. <u>To a Rocky Moon: A Geologist's History of Lunar Exploration</u> . Tucson: University of Arizona Press, 1993, p. 79.; Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix E.	64-Astro Train.-238 64-Astro Train.-240 64-Astro Train.-237 64-Astro Train.-247 64-Astro Train.-248 64-Astro Train.-246 S-64-21967 S-64-21963
Sunset Crater near Flagstaff, Arizona	Kitt Peak National Observatory, near Tucson	Armstrong Cooper Shepard Schirra Young and others	May 20-22, 1964		Wilhelms, Don. E. <u>To a Rocky Moon: A Geologist's History of Lunar Exploration</u> . Tucson: University of Arizona Press, 1993, p. 79.; Apollo Astronaut Field Trips File 008973; Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix E.	S-64-23812 S-64-23818

Cimarron, New Mexico	Philmont Boy Scout Ranch	Aldrin Anders Armstrong Bassett Bean Cernan Chaffee Collins Conrad Cooper Cunningham Eisele Freeman Gordon Lovell Schweikart Scott See White Williams	June 3-6, 1964		Wilhelms, Don. E. <u>To a Rocky Moon: A Geologist's History of Lunar Exploration</u> . Tucson: University of Arizona Press, 1993, p. 80.; Apollo Astronaut Field Trips File 008973; Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix E.	64-Astro. Train.-132 S-64-23947 64-Astro. Train.-131
Bend, Oregon		Cunningham	August 27-29, 1964		New York Times 30 Aug 1964, Apollo Astronaut Field Trips, File 008973; Beattie, Donald A. <u>Taking Science to the Moon</u> . Baltimore: Johns Hopkins University Press, 2001, pg. 161-162.	
Bend, Oregon	Astronauts visited volcanic terrain in Bend, including Newberry Crater.	Cernan Chaffee Collins Schweikart Scott	October 7-9, 1964		The Sunday Oregonian 4 Oct 1964 Apollo Astronaut Field Trips File 008973; Wilhelms, Don. E. <u>To a Rocky Moon: A Geologist's History of Lunar Exploration</u> . Tucson: University of Arizona Press, 1993, p. 103.; Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix E.	

Bend, Oregon	The third trip to Bend, Oregon was cancelled due to the death of Freeman in an airplane crash.	Aldrin Armstrong Bassett Bean Cunningham See Williams	October 15-17, 1964		The Sunday Oregonian 4 Oct 1964 Apollo Astronaut Field Trips File 008973; Wilhelms, Don. E. To a Rocky Moon: A Geologist's History of Lunar Exploration. Tucson: University of Arizona Press, 1993, p. 103.; Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix E.	
Jemez Mountains, New Mexico	Astronauts visited Valles caldera.	Aldrin Anders Bean Chaffee Collins Freeman Williams	October 23-25, 1964		Wilhelms, Don. E. <u>To a Rocky Moon: A Geologist's History of Lunar Exploration</u> . Tucson: University of Arizona Press, 1993, p. 103.; Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix E.	
Jemez Mountains, New Mexico	Astronauts visited Valles caldera.	Armstrong Bassett Cernan Cunningham Gordon Scott See	October 29-31, 1964		Wilhelms, Don. E. <u>To a Rocky Moon: A Geologist's History of Lunar Exploration</u> . Tucson: University of Arizona Press, 1993, p. 103.; Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix E.	

Jemez Mountains, New Mexico	Astronauts visited Valles caldera.	Eisele Schweikart	November 13-14, 1964		Wilhelms, Don. E. <u>To a Rocky Moon: A Geologist's History of Lunar Exploration</u> . Tucson: University of Arizona Press, 1993, p. 103.; Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix E.	
			1965			
Volcano National Park, "Big Island", Hawaii	Astronauts visited Halemaumau Crater.	Aldrin Anders Armstrong Bassett Bean Chaffee Collins Conrad Cunningham Eisele Gordon Schweikart Scott See Williams	January 19-24, 1965		Houston Post 14 Jan 1965, Apollo Astronaut Field Trips, 008973, "Space Daily Jan 18, 1965," NASA Headquarters Historical Reference Collection, Washington, DC.; Wilhelms, Don. E. <u>To a Rocky Moon: A Geologist's History of Lunar Exploration</u> . Tucson: University of Arizona Press, 1993, p. 103.; Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix E.	
Nevada Test Site, Nevada	The site is located near Las Vegas. Astronauts visited Timber Mountain caldera.	Aldrin Anders Armstrong Bassett Bean Cernan Collins	February 17-18, 1965		Wilhelms, Don. E. <u>To a Rocky Moon: A Geologist's History of Lunar Exploration</u> . Tucson: University of Arizona Press, 1993, p. 104. Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix E.	
Nevada Test Site, Nevada	The site is located near Las Vegas. Astronauts visited Timber Mountain caldera.	Cunningham Eisele Gordon Schweikart Scott	February 24-25, 1965		Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix E.	

Nevada Test Site, Nevada	The site is located near Las Vegas. Astronauts visited Timber Mountain caldera.	Chaffee See	March 3-4, 1965		Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix E.	
Meteor Crater, Arizona		Anders Bassett Cernan Chaffee Collins Gordon Schweikart Scott Williams	April 22-23, 1965		Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix E.	
Katmai Peninsula, Katmai National Monument, Alaska	The astronauts visited the Valley of Ten Thousand Smokes.	Aldrin Anders Bassett Bean Cernan Chaffee Cunningham Schweickart Scott Williams	June 29-July 2, 1965		Wilhelms, Don. E. <u>To a Rocky Moon: A Geologist's History of Lunar Exploration</u> . Tucson: University of Arizona Press, 1993, p.112.; Apollo Astronaut Field Trips, 008973, "JSC Space News Roundup," NASA Headquarters Historical Reference Collection, Washington, DC.; Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix E.	65-H-1223 65-H-1326 65-H-1212 65-H-1224

Grisuvik, Iceland	The astronauts visited Grendevil (southwestern Iceland), and Grisuvik, Central Iceland (near the Askja Caldera).	Anders Bassett Bean Cernan Chaffee Cunningham Eisele Schweickart Scott Williams	July 12-16, 1965		Apollo Astronaut Field Trips, 008973, "JSC Space News Roundup," NASA Headquarters Historical Reference Collection, Washington, DC.; Wilhelms, Don. E. <u>To a Rocky Moon: A Geologist's History of Lunar Exploration</u> . Tucson: University of Arizona Press, 1993, p. 113.; NASA-Iceland Astronaut Training, 008974, "Orlando Sentinel July 7, 1965," NASA Headquarters Historical Reference Collection, Washington, DC.; Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix E.	65-E-1364 65-H-1366 65-HC-696 65-HC-698 65-HC-700 65-H-1364 65-H-1365
Medicine Lake Highlands, California		Anders Bean Schweickart	September 1-3, 1965		Wilhelms, Don. E. <u>To a Rocky Moon: A Geologist's History of Lunar Exploration</u> . Tucson: University of Arizona Press, 1993, p. 121.; Beattie, Donald A. Taking Science to the Moon. Baltimore: Johns Hopkins University Press, 2001, pg. 171-173.	
Medicine Lake Highlands, California	The astronauts left September 8, 1965 so that they could return before an approaching hurricane. Cernan was unable to attend due to the hurricane.	Bassett Cunningham Williams	September 8-10, 1965		Wilhelms, Don. E. <u>To a Rocky Moon: A Geologist's History of Lunar Exploration</u> . Tucson: University of Arizona Press, 1993, p. 121.; Beattie, Donald A. Taking Science to the Moon. Baltimore: Johns Hopkins University Press, 2001, pg. 171-173. Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix E.	S-65-51898 S-65-51857

Zuni Salt Lake, New Mexico		Anders Bean Cunningham Schweikart	September 21-24, 1965		Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix E.	
Pinacates, Mexico		Anders Cunningham Schweikart Williams	November 8-10, 1965		Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix E.	
Pinacates, Mexico, and Zuni Salt Lake, New Mexico		Bassett Cernan Chaffee	December 27-29, 1965		Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix E.	
			1966			

Grand Canyon, Arizona		Brand Burr Carr Duke Engle Evans Haise Irwin Lind Lousma Mattingly Michel Mitchell Pogue Roosa Swigert Weitz Worden	June 2-3, 1966		Phinney, William. Chocolate Mountains, California		Gordon Irwin Schmitt Scott	May 11-13, 1970	Apollo 15	Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix ?.	
Orocopia Mountains, California		Gordon Irwin Schmitt Scott	June 3, 1970	Apollo 15	Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix ?.	
Kilbourne Hole, New Mexico		Cernan Engle Mitchell Shepard	June 3-4, 1970	Apollo 14	Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix ?.	
Flagstaff, Arizona	Astronauts visited volcanic features near Flagstaff. Aerial observation exercise for command module pilots were conducted. The astronauts also visited Meteor Crater, AZ.	Brand Gordon Irwin Schmitt Scott Worden	June 4-5, 1970	Apollo 15	Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix ?.; Wilhelms, Don. E. To a Rocky Moon: A Geologist's History of Lunar Exploration. Tucson: University of Arizona Press, 1993, p. 264.	
Flagstaff, Arizona		Evans Roosa	June 18-19, 1970	Apollo 14	Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix ?.	
Flagstaff, Arizona	Astronauts visited Merriam Crater.	Brand Gordon Irwin Schmitt Scott Worden	July 15-17, 1970	Apollo 15	Wilhelms, Don. E. <u>To a Rocky Moon: A Geologist's History of Lunar Exploration</u> . Tucson: University of Arizona Press, 1993, p. 264.; Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix ?.	

San Juan Mountains, New Mexico	Astronaut training included a fly-around of northern New Mexico.	Carr Duke Haise Pogue Young	July 8-10, 1970	Apollo 16	Wilhelms, Don. E. <u>To a Rocky Moon: A Geologist's History of Lunar Exploration</u> . Tucson: University of Arizona Press, 1993, p. 265.; Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix ?.
Medicine Hat, Alberta, Canada		Brand Carr Duke Gordon Haise Irwin Pogue Schmitt Scott Wordon Young	July 23, 1970	Apollo 15 & Apollo 16	Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix ?.; Wilhelms, Don. E. <u>To a Rocky Moon: A Geologist's History of Lunar Exploration</u> . Tucson: University of Arizona Press, 1993, p. 264.
Ries Crater, Germany	Incidents that occurred on this trip caused Deke Slayton to cancel further European trips.	Cernan Engle Mitchell Shepard	August 11-13, 1970	Apollo 14	Wilhelms, Don. E. <u>To a Rocky Moon: A Geologist's History of Lunar Exploration</u> . Tucson: University of Arizona Press, 1993, p. 290.; Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix ?.
San Juan Mountains, Colorado		Gordon Irwin Schmitt Scott	August 26-28, 1970	Apollo 15	Wilhelms, Don. E. <u>To a Rocky Moon: A Geologist's History of Lunar Exploration</u> . Tucson: University of Arizona Press, 1993, p. 265.; Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix ?.
Colorado Plateau		Carr Duke Haise Pogue Young	September 1-2, 1970	Apollo 16	Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix ?.
Nevada Test Site, Nevada		Cernan Engle Evans Mitchell Shepard	September 11, 1970	Apollo 14	Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix ?.

Buell Park, Arizona		Gordon Irwin Schmitt Scott	September 17-18, 1970	Apollo 15	Wilhelms, Don. E. <u>To a Rocky Moon: A Geologist's History of Lunar Exploration</u> . Tucson: University of Arizona Press, 1993, p. 265.; Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix ?.	
Ely, Minnesota	Astronauts visited Duluth complex of gabbro anorthosite.	Gordon Irwin Schmitt Scott	October 7-9, 1970	Apollo 15	Wilhelms, Don. E. <u>To a Rocky Moon: A Geologist's History of Lunar Exploration</u> . Tucson: University of Arizona Press, 1993, p. 268.; Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix ?.	
Northern Minnesota		Duke Young	October 12-14, 1970	Apollo 16	Phinney, William. "Science Training History of the Apollo Astronauts." Unpublished draft manuscript. Johnson Space Center. N.P., N.D. Appendix ?.	
Cinder Lake Crater Field, Arizona		Irwin Scott	November 2-3, 1970	Apollo 15	Apollo Astronaut Field Trips, 008973, photos, NASA Headquarters Historical Reference Collection, Washington, DC.	70-HC-1075 70-HC-1076 70-HC-1077 70-H-1498
